Only unique, human clicks are counted — automated requests from bots, security scanners and email preview services are filtered out. The Monthly Edition is moreover not a click-optimised newsletter, but a fully crafted editorial feature read directly in the inbox; a click is the deliberate exception, not the goal. Every single click therefore reflects genuine, active interest.

What sets this issue apart: an open rate of 41.7 % is no accident — it reflects a strictly opt-in readership that chose golf travel and lifestyle content on purpose. That is well above the 21–25 % industry average, with delivery that arrives almost in full.
